de San Luis Potosí

UNDERGRADUATE

ACADEMIC PROGRAMS

Faculty of Agronomy and Veterinary

1. Agro-ecological Engineering
2. Agro-engineering in Plant Breeding
3. Agro-engineering in Zootecnics
4. Agro-engineering in Greenhouse Production
5. Veterinary Medicine and Zootecnics
6. Agro-engineering in Forestry Resources

Faculty of Sciences

7. Electronic Engineering
8. Physics Engineering
9. Biomedical Engineering
10. Telecommunications Engineering
11. Nanotechnology and Renewable Resources Engineering
12. Degree in Biophysics
13. Degree in Biology
14. Degree in Physics
15. Degree in Applied Mathematics
16. Degree in Mathematics Education

Faculty of Chemistry

17. Food Engineering
18. Chemical Engineering
19. Degree in Chemistry
20. Pharmacobiological Chemistry
21. Bioprocess Engineering

Faculty of Engineering

22. Agro-industrial Engineering
23. Environmental Engineering
24. Civil Engineering
25. Electrical and Automation Engineering
26. Computing Engineering
27. Computing Software Engineering
28. Geological Engineering
29. Geomatics Engineering
30. Mechanical Engineering
31. Administrative Mechanical Engineering
32. Electrical Mechanical Engineering
33. Mechatronics Engineering
34. Metallurgy and Materials Engineering
35. Topography and Construction Engineering

Faculty of Nursery

36. Degree in Nursing
37. Degree in Nutrition

Faculty of Dentistry

38. Dental Medicine

Faculty of Medicine

39. Surgeon
40. Degree in Environmental Sciences and Health
