

XV ANNIVERSARY

DOC RHODES FORUM 2017

October 6-7, Rhodes, Greece

MULTIPOLARITY AND DIALOGUE IN REGIONAL AND GLOBAL DEVELOPMENTS: IMAGINING POSSIBLE FUTURES

For 15 years Dialogue of Civilizations has been at the forefront of research into dialogue-based solutions to the problems we face. Today, momentum is building around dialogue as a way of effecting real change in how we view economic growth and societal development. Be part of this dynamic debate – **join us at the 15th Rhodes Forum.**

The Rhodes Forum has convened each year since 2002, gathering between 300 and 600 participants annually from over 70 countries. Throughout its history, its hallmark has been the pioneering spirit, inclusiveness, and moral resilience of its participants in their work to tackle the problems we face.
