Future-ready transport, shipping, and logistics: Rethinking competence and skills - REFOCUS School 2024

SCHOOL OF BUSINESS - Department of Tourism Economics and Management
1 July 2024 to 12 July 2024 | Chios

Scientific Coordinator

Dr. Ioanna Pagoni - Assistant Professor, Department of Tourism Economics and Management, University of the Aegean

The summer school entitled "Future-ready Transport, Shipping, and Logistics: Rethinking competence and skills" offers a comprehensive educational experience, integrating six distinct courses that collectively prepare participants for the dynamic future of these industries. Covering critical topics such as sustainability, resilience, big data analytics, climate neutrality, safety, collaboration strategies, and port innovation, this program equips attendees with the competence and skills needed for excellence in the rapidly evolving transport, shipping, and logistics sectors. By emphasizing sustainability, innovation, and collaborative approaches, it fosters a forward-thinking mindset essential for success in these interconnected and ever-changing fields.
