

“SKILLS”, namely “Strengthening Key Competences in Agriculture for Value Chain Knowledge” (2021-1-EL01-KA220-HED-000023289), is an **Erasmus+ Project** regarding “Cooperation partnerships in higher education”, coordinated by the Department of Food Science and Nutrition of the University of the Aegean, Greece.

The SKILLS project pioneers Circular Agriculture in the EU, vital for sustainable farming. It modernizes agricultural education, promotes green skills, and aligns practices with EU regulations. Through research and stakeholder engagement, SKILLS enhances curricula, fosters partnerships, and drives sustainability. Join us in shaping a greener future for agriculture through SKILLS.

Beneficiaries of SKILLS project are current and prospective students of agriculture sector, agricultural producers, local agricultural associations, policymakers and Ministry of Education representatives

You may be part of SKILLS **Multiplier Event** which is organized by the Project Consortium coordinated by the Department of Food Science and Nutrition of the University of the Aegean:

Thursday 23rd May 2024, 10:00 am (UTC +2, Athens)

Physical Presentation: University of the Aegean - Pantelidio, Myrina, Lemnos
